

CERT IS CITIZEN PREPAREDNESS

CERT is the Community Emergency Response Team training program developed by the Federal Emergency Management Agency (FEMA). The CERT curriculum teaches community residents how to prepare themselves, their families and neighbors for an emergency, disaster or other community incident.

A FREE PROGRAM FOR YOU AND YOUR COMMUNITY

Hands-on NEMCo CERT Training on Fire Safety.

This Northshore Emergency Management Coalition (NEMCo) CERT Program provides information on local hazards and community training on basic preparedness for events that include earthquakes, windstorms, snow events, floods, landslides and more. Classes are presented by trained CERT Community members in the areas of Fire Safety, Basic First Aid, Disaster Medical Operations, Light Search & Rescue, Utility Management and overall preparedness. CERT is for everyone! Topics are presented in an easy to understand, step-by-step process, with hands-on training to build your knowledge and skills. After some class practice, you and your classmates will participate in a disaster simulation giving you the opportunity to apply what you have learned, building confidence in your abilities.

SERVING AN ONGOING NEED...

After completing the CERT Program the opportunities do not end. NEMCo CERT members serve our community throughout the year.

You can apply what you have learned by helping our Community, Police, and Fire by providing:

- First Aid at Community Events
- Assisting in Lost Person/Child Search
- Supporting Community Warming/Cooling Center
- Proving Emergency Radio Communications
- And so much more...

Regardless of your age, background, experience or capabilities, there is something you can do to help yourself, your family and your community. Learn the skills you need with CERT.

CERT is active in our community.

SIGN UP FOR THIS CERT CLASS
