

# FEMA REGION 10 TRAINING OPPORTUNITY

# FEMA

## Course: L2300

## Intermediate Emergency Operations Center Functions

### Date:

October 28-30, 2025

### Time:

8:00 AM to 4:00 PM PDT

### Location:

Lynnwood, WA

### Course Description:

Hosted by the National Disaster and Emergency Management University (NDEMU) and FEMA Region 10 this three-day course is intended to assist jurisdictions who desire to develop or improve their Emergency Operations Centers (EOCs). Upon completion of this course, students will be able to demonstrate through activities and a final exam, the managerial and operational roles of the modern-day EOC as a National Incident Management System (NIMS) Command and Coordination functional group operating within a Multiagency Coordination System (MACS).

### Target Audience:

Federal, state, tribal, territorial, local level, business and nongovernmental emergency management personnel who may be designated to support an EOC within their jurisdiction or organization.

### Prerequisites:

Required prerequisites include Independent Study (IS) courses [IS-100](#), [IS-700](#), [IS-800](#), and [IS-2200](#). Recommended prerequisites include E/L/G-191 and [IS-200](#).

### Funding:

Tuition is free for those accepted; there are no travel/salary stipends available and all incurred costs are the responsibility of the attendee or sending organization.

### To Apply:

Contact Stewart Matthiesen and let him know you want to attend this course. Additional instructions will follow. Enrollment confirmations will be sent approximately 20-days prior to the course via email.

### Course Coordinator:

Stewart Matthiesen  
FEMA Region 10 NIMS Coordinator
