SERVING AN ONGOING NEED...

After completing the CERT Program the opportunities do not end. You can apply what you have learned by helping our Community, Police, and Fire by assisting with:

- public service events, such as fun runs and workshops, traffic control and crowd management, support at the NEMCo booths, and participating in other public preparedness educational opportunities.

Regardless of your age, background, experience or capabilities, there is something you can do to help yourself, your family and your community. Learn the skills you need with CERT.

WHAT IS CERT?

CERT is a Community Emergency Response Team training program developed by the Federal Emergency Management Agency (FEMA). The CERT curriculum teaches community residents how to successfully prepare themselves, their families and neighbors to handle an emergency or disaster.
