Class open to teens aged 14 to 18 with parental or guardian permission. Students will fulfill 24 hours of Community Service

SERVING AN ONGOING NEED..

Completing the CERT course is just the beginning. The opportunities to serve don't end when training does. You can use your skills to support our Community, Police, and Fire Departments in meaningful ways, such as:

- Providing First Aid at community events
- Assisting in searches for lost persons or missing children
- Supporting operations at warming and cooling centers
- Supporting Public Education
- Aiding the radio group in emergency communications
- ...and so much more!

No matter your age, background, experience, or abilities, there's a role for you. Learn the skills to protect yourself, care for your family, and serve your community.

WHAT IS CERT?

Community Emergency Response Team (CERT) members are all volunteers. CERT teaches people how to better prepare themselves for hazards and emergencies that can happen in our community.

CERT volunteers learn basic disaster response skills, team organization, fire safety, medical operations, and light search and rescue.
